

**SUPERPROD**  
ANIMATION

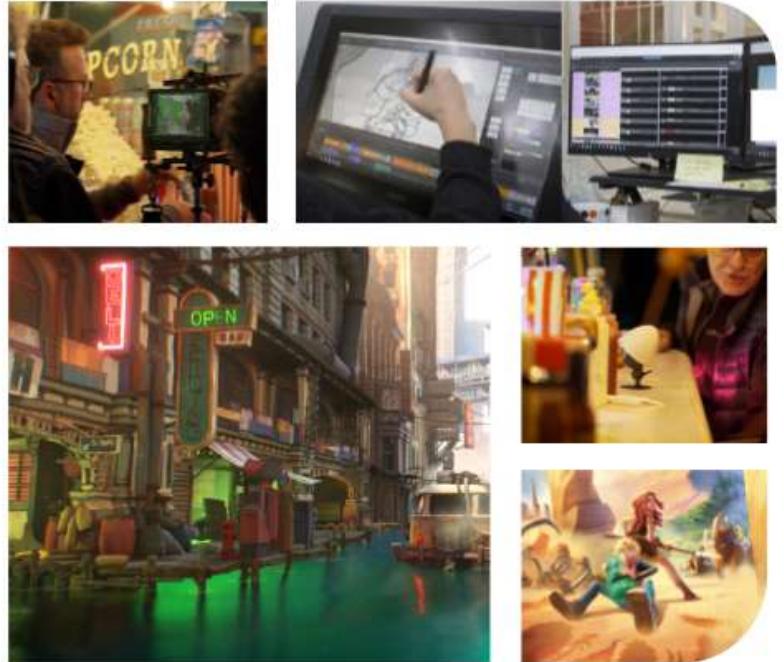

## SUPERPROD ANIMATION : What we do

**SUPERPROD ANIMATION**'s teams ensure all of the steps of animation production, in **2D, 3D or hybrid**, from **visual development to final compositing**.

We have fully implemented the innovative **USD pipeline** created by Pixar for maximum cost efficiency and flexibility.

SUPERPROD ANIMATION collaborates with **international studios and talents**, while benefiting from both the expertise of **French, Italian and Luxemburg artists**, and **large tax credits** available in France, Italy and Luxemburg.

## The Benefits of engaging with Superprod Animation

More than a **RELIABLE** service provider, we are a **CREATIVE PRODUCTION PARTNER** for the entire process.

### EXPERTLY MASTER EVERY STEP OF A PROJECT

- Writing, 2D concept design, 3D look development
- Storyboard, animatic, final edit
- 2D & 3D pre production, 2D & 3D asset build & shot production
- Post production

### LOWER PRODUCTION COSTS & OPTIMIZED SCHEDULES

- Superprod's unique and high-performance USD based pipeline allows parallelisation of tasks and shorter schedules
- Efficient workforce usage

### ENHANCED PRODUCTION VALUE

- Top talents & agility to achieve any Animation look & feel (cg, hybrid, 2D, etc)
- Expertise in both Series & Feature Films creates synergies & optimizations
- Increasingly higher-quality images, more iterations without additional costs

### CO PRODUCTION & MULTI SITE EXPERT

- Leverage each partner's strengths into a smooth process and optimized worksplit
- Tools, workflows and pipeline interoperable with any other partner
- Experienced english speaking management facilitates communication

### INCREASED MARGIN through availability of subsidies and tax credits

-  • 30% French Tax Rebate
-  • 40% Italian Tax Rebate
-  • Luxembourg Coproduction funding (up to 1.5 M€)
  - Superprod can guarantee and cash-flow the tax credit
